**Availability**

Available for all single-phase customers served through one meter and subject to the policies, rules and regulations of the Cooperative.

**Type of Service**

Single phase, 60 cycle, at available secondary voltages

**Monthly Rate**

- Service Availability Charge \$49.95
- Additional Monthly Facility Charge \$1.00 per kVA of required transformer capacity in excess of 25 kVA
- Energy Rates:
  - Summer months of June thru August, \$0.1321 per kWh
  - The other 9 months of the year, \$0.1171 per kWh
- The energy charges shall be “unbundled” on the bills delivered to the members for monthly electric use, to show the approximate amount of wholesale and local costs.
- Plus, applicable sales tax as appropriate.

**Minimum Monthly Charge**

The minimum monthly charge under the above rate shall be equal to the Monthly Facility Charge as indicated above. The minimum applies 12 months per year even when disconnected. When service is reconnected, a bill will be rendered for months not billed. This applies to service disconnected for up to one year. If the meter is removed, continued maintenance of electric service and/or billing under Policy 7.06, Idle Services may apply.

**Power Cost Adjustment (PCA)**

If the rate under which the Cooperative purchases power at wholesale is adjusted in accordance with provisions in the wholesale contract, a PCA may be added to the monthly bill under Board Policy No. 7.01(D).

**Taxes**

Any taxes, based on revenue from the sale of electric energy which the Cooperative is required to collect, will be itemized on the bills and are subject to the same terms of payment as are the energy charges.

**Terms of Payment**

Bills shall be mailed to members during the first week of each month and are due on the 20<sup>th</sup> day of the same month. If payment is not made on or before the due date printed on the statement a 1½% late payment charge may be assessed on the unpaid balance.
