

A Touchstone Energy® Cooperative 

ELIGIBILITY CRITERIA

- ❖ Home or farm being improved must be on cooperative's lines.
- ❖ Incentives are in place through December 31, 2018. Funds are limited so members are encouraged to submit as soon as possible.
- ❖ Incentive not to exceed 20% of the cost of energy efficiency improvements up to \$500. Cost can include material and professional labor. The cost of the audit cannot be included.
- ❖ Energy Efficiency improvements must be recommendations from an audit arranged by your cooperative or a cooperative approved partner.
- ❖ The audit must be a comprehensive audit including a written report.
- ❖ The audit report must indicate the improvement will result in electrical or delivered fossil fuels (LP, oil) reduction or efficiency.
- ❖ If another incentive is available, the audit recommended improvement will qualify for only that incentive. For example, if an auditor recommends purchasing an Energy Star refrigerator, the refrigerator will qualify for our Appliance incentive, not the Audit Recommended Improvements incentive.
- ❖ Improvements must be completed within 24 months of the audit date.
- ❖ Each member account qualifies for only 1 Audit Recommended Improvement incentive every 5 years, regardless of the number of audits performed and regardless of the number of measures implemented.
- ❖ Additional eligibility criteria may apply. Contact cooperative for details.
- ❖ All documentation listed below must be submitted no later than 3 months after improvements are completed.
 - ✓ This Incentive Form
 - ✓ A copy of your receipt or invoice for each improvement
 - ✓ Copy of the audit documentation
 - ✓ Documentation showing improvements have been completed

Submit required documentation to: *Taylor Electric Cooperative, N1831 State Hwy. 13, Medford, WI 54451*
