2025 Energy Efficiency Incentive Form

This institution is an equal opportunity provider.

ELIGIBILITY CRITERIA

- New equipment must be installed on cooperative's lines.
- Incentive not to exceed the equipment cost.
- Incentives not allowed for a measure and a component of that measure. For example, if an air source heat pump has a variable speed blower motor, the air source heat pump qualifies for an incentive but not the variable speed blower motor.
- Incentives are in place through December 31, 2025. Funds are limited so submit required documentation as soon as possible.
- Required documentation must be submitted within 3 months of install date.
- Additional eligibility criteria may apply. Program is subject to change or cancellation without notice. Contact cooperative for details.
- Required documentation listed below must be submitted no later than 3 months after install date.
 - ✓ This incentive form
 - ✓ A copy of your receipt or invoice for each item with purchase price(s) circled
 - ✓ Documentation showing the equipment has been installed

Submit required documentation to: Taylor Electric Cooperative, N1831 State Hwy 13, Medford, WI 54451

MEMBER INFORMATION (F	Please fill out	entire section)								
Member Name				Email						
				Email addresses will be used for cooperative communication only.
