

## **AG, COMMERCIAL & INDUSTRIAL**

2026 Energy Efficiency Incentive Form

This institution is an equal opportunity provider.

## **ELIGIBILITY CRITERIA**

**NOTE:** Agricultural, Commercial and Industrial members that incorporate certain energy efficient equipment not listed below may qualify for a custom incentive. New and existing facilities are eligible. Please contact us for details.

- New equipment must be installed on cooperative's lines.
- Incentive not to exceed the equipment cost.
- Incentives not allowed for a measure and a component of that measure. For example, if an exhaust or circulation fan has a variable frequency drive, only one item would qualify for an incentive, not both.
- Incentives are in place through December 31, 2026. Funds are limited so submit required documentation as soon as possible.
- Required documentation must be submitted within 3 months of equipment install date.
- Additional eligibility criteria may apply. Program is subject to change or cancellation without notice. Contact cooperative for details.
- Required documentation listed below must be submitted no later than 3 months after equipment install date.
  - ✓ This incentive form
  - ✓ A copy of your receipt or invoice for each item with purchase price(s) and purchase/install date circled
  - ✓ Documentation showing the equipment has been installed

Submit required documentation to: Taylor Electric Cooperative, N1831 State Hwy 13, Medford, WI 54451
