Christmas Wish

The Christmas Wish Program is celebrating 29 years of granting wishes to and brightening the holidays for those in need during the Christmas season. Whether the need is financial, emotional, or physical, spreading holiday cheer and putting a smile on the faces of the families in our community has always been our mission.

In 2024, nearly 150 families were touched by the Christmas Wish program. In following with the cooperative principle "Concern for Community,"

contributors to Christmas Wish have brought holiday cheer to those who were battling a serious illness, friends and neighbors who had lost loved ones throughout the year, and community members with disabilities.
