TAYLOR ELECTRIC *Cooperative* Your Touchstone Energy® Partner

June 2021

N1831 State Highway 13, Medford, WI 54451 • 715-678-2411 • www.taylorelectric.org
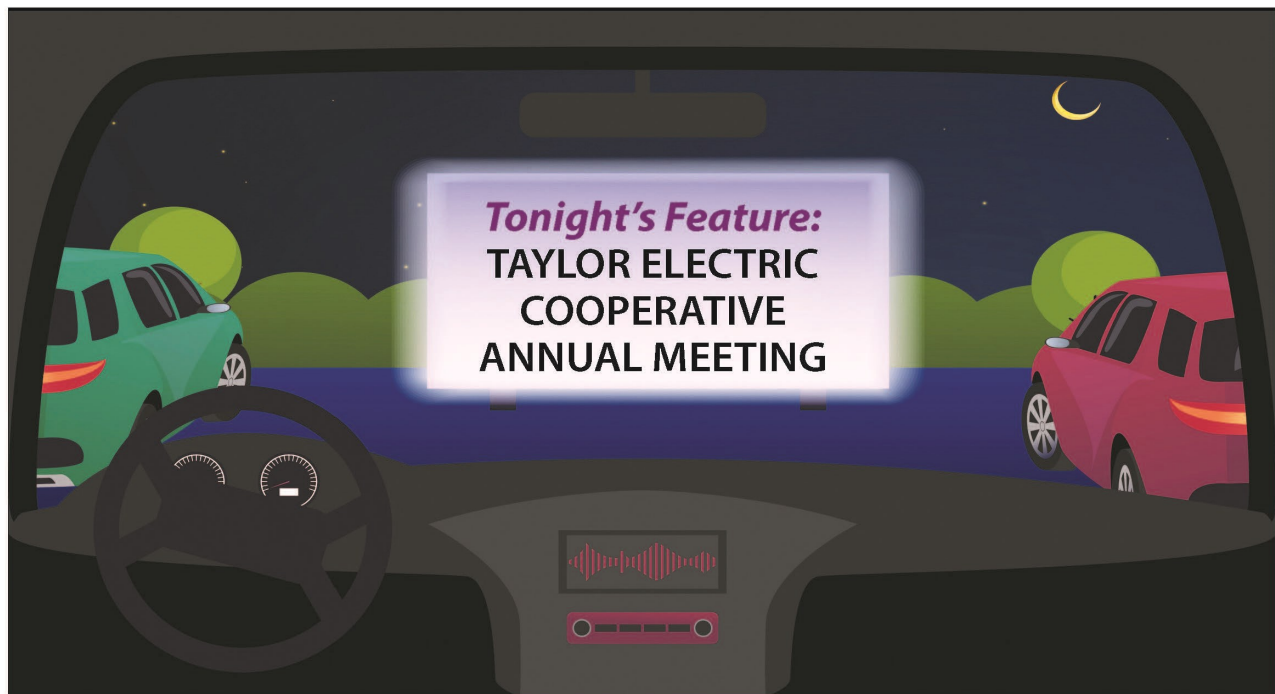

Our drive-in style annual meeting format is back this year by popular demand!

Due to positive feedback after last year's drive-in meeting, and also an abundance of caution in light of lingering concerns about public health and safety, Taylor Electric is holding its annual meeting outdoors once again.

WHEN: Tuesday, June 29, 2021

WHERE: Centennial Community Center, 412 E. Centennial Ave., Stetsonville, WI

TIME: 4:30 – Dinner and registration. Dinner will be served in your vehicle, picnic-style. Members will remain in their cars and be assisted with parking by Taylor Electric employees.

5:30 – The business meeting and live broadcast is scheduled to be on WKEB Radio, 99.3 FM

Please join us for our drive-in annual meeting!

JUNE DAIRY MONTH FACTS

The last year has changed the way we all live our lives and do business. But Wisconsin's dairy industry continues to make a significant impact. Below are the latest stats and facts to help round out your dairy industry stories.

ECONOMIC IMPACT

- Wisconsin dairy farmers work with cheesemakers to produce over 600 varieties, types and styles of Wisconsin cheese and 3.37 billion pounds of cheese annually.
- The Wisconsin dairy industry generates a $45.6 billion economic impact, 1.26 billion in state and local taxes, and 154,000 jobs for the state annually.
- There are more than 6,500 dairy farms in Wisconsin and 95% are family owned.
- Wisconsin dairy products are enjoyed by more than 300 million consumers around the world.

NUTRITION

- Real dairy is a natural source of immune-boosting nutrients like Vitamin A, Vitamin D and protein.
- The protein in dairy-whey and casein-keeps you feeling full longer, provides energy to fuel your day and helps muscles recover while you sleep.
- Fermented dairy foods like yogurt are linked to health benefits including reduced inflammation, improved digestive health and healthy immune systems.
- Milk offers a unique and powerful combination of essential nutrients – like Vitamin B12, zinc, iodine, calcium and protein – that are essential for immunity, cognitive development and performance.
